

ALAN GRIFFITH
EXOTIC FIREARM ATTACHMENTS

If you want reduced recoil,
increased CQB abilities, or a
fire rate faster than world
record holders, I'm your guy.

Bold claims, I know. But I
invite you to check out my
website. You'll see there that
I'm not a liar.

From the greatest Beretta
compensator on the market,
to the first ever FRT for the
Beretta 92 series...

Griffith has got you covered.
